# GERMAN GYMNASIUM GRAND CAFÉ GROUP DINING

Summer 2018

---

# OUR HISTORY

Designed by Edward Gruning, the German Gymnasium was the first purpose-built gymnasium in England and was influential in the development of athletics in Britain. It was built in 1864-65 for the German Gymnastics Society. This sporting association was established in London in 1861 by Ernst Ravenstein.

The building cost £6,000 and was funded solely by the German community in London. The National Olympian Association held the indoor events of the first Olympic Games here in 1866. These games continued annually at the German Gymnasium until the White City games in 1908.

The main exercise hall was a grand and elegant space with a floor to ceiling height of 57ft. Long forgotten sports were practiced here, including Indian club swinging and broadsword practice.

The German Gymnastics Society had a forward-thinking approach to women's exercise, with classes taking place here from as early as 1866.

The building ceased to be used as a gymnasium some time pre-war and has been used as offices, storage and an arts and exhibition space since that time.
