Private Dining, July 2023: "The event was lovely and really well organised by your team. Everyone was extremely helpful and accommodating. The manager and our waiter in particular were very polite and assisted us greatly. Also, please pass on our thanks to the chef, the food was lovely."

Private Dining, August 2023: "I just wanted to extend our gratitude, thanks and praise for such an amazing and well organised evening. The floor managers Ottaviano Miglietta and Mihaela Brandus, were attentive, kind and always communicated with myself and my MD for updates on keeping our budget as well as checking in on our food timings and whether more drinks should be served. I would love to keep up our communication should we host another event in or around the vicinity again. Thank you for keeping in touch and your speedy responses to all my queries especially at such short notice in the run up to the event."

Exclusive Hire, February 2024: "Thank you. I thought your team did an exceptional job on Wednesday. I've hosted and organised large-scale events and parties on many occasions over twenty years in publishing and I really felt that you, and your team, had a professional, can-do attitude and commitment to quality that is so rarely the experience. Please do pass on my thanks. We were delighted with how it went."
